Alexandria Gazette. Failed in Health

"My mother died six years ago," writes Miss Ruth Ward, of Jerseyville, Ill., "and left me to care for six children. I had never been strong; and this, with the shock of her death, was too much for me.

I failed in health. I was tired all the time and did not want to go anywhere, nor care for company. I had the headache all the time and such bearing-down pains. 'A very dear friend advised me to take Cardui, as it had done her so much good, so I commenced to use it and now I am in good health."
